To Whom It May Concern:

I had the pleasure of working with Blake Hubert while he was employed in our PACU here at Jackson Hospital in Montgomery, Alabama.

Blake has demonstrated that he is very competent in the clinical setting. He demonstrates critical thinking in application of the nursing process when caring for patients. He has consistently provided care in a safe and competent manner. I am particularly impressed with Blake's eagerness to learn and the level of concern and compassion demonstrated when caring for his patients.

Blake is an outgoing and friendly individual who conducts himself in a mature and professional manner. He demonstrates sound interpersonal communication skills as demonstrated by his ability to interact well with his patients, physicians and hospital staff.

I am confident in saying that Blake will be an asset to any organization he chooses to join and highly recommend him for a position with your facility. Should you have any questions or require any additional information, please feel free to contact me directly at 704-649-3855.

Sincerely Yours,
